Dear Tejaswini,

Congratulations! I am pleased to offer you admission to George Mason University for the Master of Science in Health Informatics for the Fall 2023 semester. You were selected from a competitive applicant pool, and we are impressed with your academic achievements and personal successes. You should be very proud of all you have accomplished.

By choosing George Mason University to pursue an advanced degree, you will make a great investment in yourself. As the largest Research I and public university in the Commonwealth of Virginia, we are proud to be one of the most diverse campuses in the United States and support individuals on their graduate journey at an affordable rate. [Mason's Graduate Division and partners](#) are committed to enable you to achieve your personal and career goals by supporting advanced learning, research and scholarly study, enhancing professional development, and promoting well-being as you progress through and complete your degree. Start your Mason journey today and [confirm your intent to enroll!](#)

Your tuition classification is Out of State (International for F or J1 visa). If you would like to apply for in-state tuition consideration, please complete the [application](#) within the next thirty days, but no later than the first day of classes for the term in which you are admitted. If you have questions, please reference our [website](#) or email masongrad@gmu.edu.

Please note that an earned baccalaureate degree from a regionally accredited institution of higher education, or international equivalent, verified from official transcripts is a requirement for all graduate students. You will need to submit your undergraduate transcript(s) as well as graduate degree transcript(s) prior to the last day to drop courses in your first semester. For international students, please review your requirement [here](#). Failure to submit your official transcripts will lead to your admission being rescinded and courses being dropped.

On behalf of President Washington, our faculty and students, we congratulate you. Your Mason story starts today, and we cannot wait to see how you will make your mark as a Mason Patriot!

Dear Neelima,

Congratulations! After reviewing your application for admission, it is my pleasure to inform you that you have been conditionally admitted to the University of Findlay for the Fall 2023 semester to begin pursuing Master of Science in Health Informatics Program.

According to the documents submitted with your application, you have not met the requirements for full admission at this time. The requirements that must be completed to obtain full admission are as follows:

CSCI503 - Database Concepts

On behalf of the faculty and staff, I congratulate you on your strong academic accomplishments that earned your place in our academic community. Based on your outstanding academic achievement, you have been awarded the International Graduate - \$1,000. This award will be administered each semester until the maximum amount of the scholarship has been awarded and cannot be renewed. Please note that you must maintain full-time enrollment in your graduate program to receive award.

The University of Findlay offers additional scholarships based on GMAT or GRE exams. If you find you are eligible for one of these scholarships, please contact international admissions to confirm.

New Student Registration and Orientation are required for all new students. Please make your travel plans with these dates in mind, as attendance is mandatory. Orientation will include testing, advising, registration, and important immigration information. You will also have the opportunity to get to know your new home and classmates. **All official transcript must be presented during orientation in order to be eligible for class registration.**

Now that you have been accepted, you will receive a series of emails providing you with information about arriving to campus, housing and other helpful information. If you have any questions, please feel free to contact your admissions counselor via email at international@findlay.edu.

Again, congratulations on your acceptance to the University of Findlay. We look forward to welcoming you on campus soon.

Please find below your CAS. This CAS is valid for six months from the date of issue. You will need this number when making your application for a student visa (or visa extension).

Please check the information included in your CAS carefully, and let us know immediately at casrequests@gre.ac.uk if there are any errors. It is your responsibility to ensure that the information in your CAS is accurate before you make a visa application. Your visa application may be rejected, or you may receive an inaccurate visa, if you use a CAS that contains errors. The university cannot accept responsibility for matters or costs arising from the use of an inaccurate CAS.

New Students, you will need to wait for your student visa to be granted before you can travel to the UK to begin your studies at the university. You cannot fully register at the university unless you are able to provide a valid Student Visa. Make sure you understand at what point your visa is granted and you are ready to use it for travel. For most applicants, this means waiting until the visa vignette is added to your passport.

Sponsorship of International Students is offered under the university's sponsorship policy. For more information, please visit the University of Greenwich website: www.gre.ac.uk/visa. To apply for your visa, please visit: <https://www.gov.uk/student-visa>

International Office
CAS Team

Please find below your CAS. This CAS is valid for six months from the date of issue. You will need this number when making your application for a student visa (or visa extension).

Please check the information included in your CAS carefully, and let us know immediately at casrequests@gre.ac.uk if there are any errors. It is your responsibility to ensure that the information in your CAS is accurate before you make a visa application. Your visa application may be rejected, or you may receive an inaccurate visa, if you use a CAS that contains errors. The university cannot accept responsibility for matters or costs arising from the use of an inaccurate CAS.

New Students, you will need to wait for your student visa to be granted before you can travel to the UK to begin your studies at the university. You cannot fully register at the university unless you are able to provide a valid Student Visa. Make sure you understand at what point your visa is granted and you are ready to use it for travel. For most applicants, this means waiting until the visa vignette is added to your passport.

Sponsorship of International Students is offered under the university's sponsorship policy
For more information, please visit the University of Greenwich website: www.gre.ac.uk/visa
To apply for your visa, please visit: <https://www.gov.uk/student-visa>
