3. Ban on use of plastic

As a part of saving the earth from Hazardous plastic students and staff members are informed to use alternative water bottles made of steel and copper. Steel glasses are provided in the canteen in order to avoid the usage of plastic cups. Display boards are placed throughout the campus indicating the importance of not using plastics. Students and staff are instructed to avoided usage of plastic inside the campus

4. Landscaping with Trees and Plants

Landscaping of trees and plants in the campus improves the duty of the college. The institute as a canopy of trees and plants to make environmental pollution free to safe guard the health of people. All the trees provide shade, and almost care is taken to develop and maintain green landscaping by trained gardeners and supervisors
