A seminar on Recent Trends in Medicinal Plants Research

11th Feb 2021

About the college:

Anurag Pharmacy College was established in 2007 by "Amartya Educational Society" with an objective of bringing quality education closer to the rural students. Right from the beginning the management was clear about establishing the center of excellence in pharmacy. Accordingly a good institution with strong foundation has taken a shape in the form of Anurag Pharmacy College imparting education for B. Pharm, M. Pharm course in two branches along with Pharm D.

This college is having well equipped and high standard laboratories and state of art library is well stocked with 3241 books, 37 printed and e-journals, computer lab with high speed internet facility. Apart from academics our college encourages students in extracurricular activities and also our faculty provides GPAT special classes.

About the Department:

Pharmacy is the science and practice of discovering, producing, preparing, dispensing, reviewing and monitoring medications, aiming to ensure the safe, effective, and affordable use of medicines. It is a miscellaneous science as it links health sciences with pharmaceutical sciences and natural sciences. The professional practice is becoming more clinically oriented as drugs are manufactured by pharma industries.

About the Programme:

- Enhanced understanding of recent trends and advancements in medicinal plants research.
- Proficiency in various aspects of medicinal plants research, including phytochemical analysis and pharmacological evaluation.
- Development of critical thinking skills and analytical abilities in evaluating the therapeutic potential of medicinal plants.
- Insight into the role of medicinal plants in traditional medicine and their integration into modern healthcare systems.
- Networking opportunities and collaborations within the field of medicinal plants research.
- Ability to contribute to the field through the design and implementation of high-quality research studies.
- Preparation for pursuing further academic and professional opportunities in medicinal plants research.
- Contribution to the growing body of knowledge in the field of medicinal plants research.

Resource Person:

K. Sree Latha,
M. Pharm., (Ph.D),
Asst. Professor,
Department of Pharmaceutical Chemistry,
Sana College of Pharmacy, Kodad,
Telangana

Last date to Registration: 08/02/2021

Objectives of the program:

- To provide guidance and support to individuals interested in medicinal plants research.
- To enhance participants' understanding of recent trends and advancements in the field.
- To explore various aspects of medicinal plants research, including identification, extraction, characterization, and pharmacological evaluation.
- To foster critical thinking skills and analytical abilities in evaluating the therapeutic potential of medicinal plants.
- To understand the role of medicinal plants in traditional medicine and their integration into modern healthcare systems.
- To promote collaboration and networking opportunities within the field of medicinal plants research.

Topics to be covered:

- Introduction to Medicinal Plants Research
- Phytochemical Analysis
- Bioactive Compounds
- Pharmacological Evaluation
- Plant-based Traditional Medicine
- Herbal Formulations and Standardization
- Plant Biotechnology
- Integration of Medicinal Plants into Modern Healthcare

PROGRAM REPORT

Program Name	A Seminar on Recent Trends in Medicinal Plants Research
Resource Person	K. Sree Latha , Asst. Professor, Department of Pharmaceutical Chemistry, Sana College of Pharmacy, Kodad, Telangana Mail id: Sreelatha.kudumula1234@gmail.com: Mobile No: 79972 23774
Date of Activity	11/02/2021
Organised By	Anurag Pharmacy College
Venue	Anurag Pharmacy College Seminar Hall

Objective of program

1. To provide guidance and support to individuals interested in medicinal plants research.
2. To enhance participants' understanding of recent trends and advancements in the field.
3. To explore various aspects of medicinal plants research, including identification, extraction, characterization, and pharmacological evaluation.
4. To foster critical thinking skills and analytical abilities in evaluating the therapeutic potential of medicinal plants.
5. To understand the role of medicinal plants in traditional medicine and their integration into modern healthcare systems.
6. To promote collaboration and networking opportunities within the field of medicinal plants research.

Topics covered

1. Introduction to Medicinal Plants Research: Importance, historical context, and current significance.
2. Phytochemical Analysis: Extraction techniques, chromatographic methods, spectroscopic analysis.
3. Bioactive Compounds: Identification, isolation, and structural elucidation of active constituents.

A Program on ENTREPRENEURSHIP DEVELOPMENT 6th Jan 2021

About the college:

Anurag Pharmacy College was established in 2007 by "Amartya Educational Society" with an objective of bringing quality education closer to the rural students. Right from the beginning the management was clear about establishing the center of excellence in pharmacy. Accordingly a good institution with strong foundation has taken a shape in the form of Anurag Pharmacy College imparting education for B. Pharm, M. Pharm course in two branches along with Pharm D.

This college is having well equipped and high standard laboratories and state of art library is well stocked with 3241 books, 37 printed and e-journals, computer lab with high speed internet facility. Apart from academics our college encourages students in extracurricular activities and also our faculty provides GPAT special classes.

About the Department:

Pharmacy is the science and practice of discovering, producing, preparing, dispensing, reviewing and monitoring medications, aiming to ensure the safe, effective, and affordable use of medicines. It is a miscellaneous science as it links health sciences with pharmaceutical sciences and natural sciences. The professional practice is becoming more clinically oriented as drugs are manufactured by pharma industries.

About the Programme:

The course will give knowledge about Program on entrepreneurship development program.

- Cultivation of an entrepreneurial mindset and motivation to pursue entrepreneurship.
- Enhanced understanding of the key elements and processes involved in starting and running a successful venture.
- Practical skills and knowledge to develop a viable business plan and execute it effectively.
- Increased creativity and innovation in problem-solving and opportunity identification.
- Proficiency in conducting market research and analysis for successful ventures.
- Knowledge of financial management techniques and funding options for entrepreneurs.
- Implementation of effective marketing and sales strategies for entrepreneurial success.

Resource Person:

Mrs. G. Sangeetha Roy
Assistant Professor
Department of Pharmacy Practice
KLR Pharmacy College, Paloncha,
Telangana.

Last date to Registration: 04/01/2021

Objectives of the program:

- Inspire and cultivate an entrepreneurial mindset among participants.
- Provide a comprehensive understanding of the key elements of entrepreneurship.
- Equip participants with practical skills and knowledge to start and grow their own ventures.
- Foster creativity and innovation in problem-solving and opportunity identification.
- Share strategies for effective business planning and execution.
- Offer guidance on overcoming challenges and obstacles faced by entrepreneurs.
- Connect participants with experienced entrepreneurs and mentors for guidance and support.

Topics to be covered:

- Introduction to entrepreneurship: Opportunities, challenges, and trends.
- Developing an entrepreneurial mindset and cultivating creativity.
- Identifying and evaluating business opportunities.
- Market research and analysis for successful ventures.
- Business planning and creating a viable business model.
- Financial management and funding options for entrepreneurs.

A Program on Community pharmacist as entrepreneur 5th Dec 2020

About the college:

Anurag Pharmacy College was established in 2007 by "Amartya Educational Society" with an objective of bringing quality education closer to the rural students. Right from the beginning the management was clear about establishing the center of excellence in pharmacy. Accordingly a good institution with strong foundation has taken a shape in the form of Anurag Pharmacy College imparting education for B. Pharm, M. Pharm course in two branches along with Pharm D.

This college is having well equipped and high standard laboratories and state of art library is well stocked with 3241 books, 37 printed and e-journals, computer lab with high speed internet facility. Apart from academics our college encourages students in extracurricular activities and also our faculty provides GPAT special classes.

About the Department:

Pharmacy is the science and practice of discovering, producing, preparing, dispensing, reviewing and monitoring medications, aiming to ensure the safe, effective, and affordable use of medicines. It is a miscellaneous science as it links health sciences with pharmaceutical sciences and natural sciences. The professional practice is becoming more clinically oriented as drugs are manufactured by pharma industries.

About the Programme:

The course will give knowledge about the role of community pharmacist as entrepreneur.

- Gained a comprehensive understanding of the entrepreneurial opportunities available in the field of community pharmacy.
- Developed essential business skills and knowledge required to successfully establish and operate a community pharmacy.
- Acquired insights into legal and regulatory aspects to ensure compliance and ethical practice.
- Discovered innovative approaches to providing value-added services and enhancing patient care.
- Learned to expand professional network by connecting with experienced community pharmacist entrepreneurs and industry professionals.
- Feel inspired and motivated to embark on an entrepreneurial journey and make a positive impact in your community.

Resource Person:

Mr. N. Phani Kumar
M. Pharmacy
Assistant Professor
Department of Pharmaceutics
Vishnu Institute of Pharmaceutical Education & Research, Sangareddy, Telangana
