AWARENESS RALLY ON INDEPENDENCE DAY

Anurag Pharmacy college –NSS unit has organized Awareness rally on independence day in Ananthagiri on 11-08-2022 with great fervor. The programme has started with NSS P.O Mr.D.Chinna babu. For this memorable event, Dr.M.Chinnaeswaraiyah principal, staff and management was participated in this event

Brief note on awareness on Independence Day

Independence Day 2022: India is gearing up to celebrate its 75 years of Independence (76th Independence Day) from British rule on August 15, Monday. India achieved its Independence from British colonial rule on August 15, 1947. The struggle for freedom was a long and tiresome one; witnessing the sacrifices of many freedom fighters, who laid down their lives for their country and fellow citizens. This day honors our freedom fighters, the history of our country, its culture, and the nation's achievements as a whole. It also reminds every Indian citizen about the dawn of a new beginning of an era of deliverance from the clutches of British colonialism for more than 200 years.

Blood Donation In Association With Kodad Division Police

Anurag Pharmacy college –NSS unit has organized Blood donation at Area hospital Kodad on 17-08-2022 with great fervor. The programme has started with NSS Programme officer Mr.D.Chinna babu. For this memorable event NSS Volunteers are participated

Blood is a precious biochemical fluid which performs multiple tasks and helps in keeping life perpetuating. Thanks to the blood transfusion technology which has been saving numerous lives across the world on daily basis. Unfortunately there has been the scarcity of blood availability to the needy in an unprecedented way post covid-19, as it cannot be stored for longer periods.

With the noble cause of saving many lives and as part of their societal duty police department has been working well for the donation of blood for which the Kodad division police has arranged for a mega donation camp in the Kodad town police station premises. Anurag NSS Unit volunteers motivated the students and made them to participate along with them in this noble cause which has attracted accolades from the police and public in general and the district police boss in specific.

SAMEKYATHA RALY

Anurag Pharmacy college –NSS unit has organized Awareness program on Telangana Jathiya Samekyatha Vajrotsavat Kodadon 16 -09-2022 with great fervor. The programme has started with NSS Programme officer Mr.D.Chinna babu .For this memorable event,

Brief note on Samekyatha rally

The Telangana government has decided to observe September 17 as “Telangana National Integration Day.” The decision was taken by Chief Minister K Chandrasekhar Rao during a state cabinet meeting on Saturday, September 3rd. On September 17, 1948, erstwhile Hyderabad State under Nizam rule merged with the Indian Union. CM KCR said the government would organise three-day celebrations beginning September 16 to mark the historic day. Massive rallies will be organised with the participation of students, youth, men and women in all the headquarters of the Assembly constituencies on September 16. According to the official statement released by the Telangana CMO, on September 17, the chief minister will unfurl the national flag in the public garden and deliver his speech. On the same day, ministers and other public representatives would do the same at their respective centres.

Awareness Programme On Menstrual Hygiene

Anurag Pharmacy College –NSS Unit Has Organized 2k Run Marathon For Awareness Program On Menstrual Hygiene At Ananthagiri on 17-01-2023 With Great Fervor. The Programme Has Started With NSS Programme Officer Mr.D.ChinnaBabu. For This Memorable Event, Mr.Dr.M.Chinnaeswariah, Principal Of The College Was Participated In This Program

Menstruation is an inevitable part of most women's lives. The average woman would observe menstruation every month of her life for approximately 35 years. Thus, over this period the average woman would go through more or less 20000 sanitary pads. Considering these implications, the economic costs for the average woman/adolescent are staggering especially in low-income countries in Africa. Menstrual cycles are tied to reproductive health as well as other aspects of women's health. With menstruation comes menstrual practices, and a key part of good health for women is hygienic menstrual practices. This is an issue that fails to receive proper attention. Hygienic menstrual practices include the use of sanitary pads during menstrual flows. Sadly, most women and adolescent girls are unable to have access to these essential products that will help maintain their menstrual health either because they are too expensive or they are unavailable, especially in rural areas in countries in Africa.

The Programme Has Started With NSS Programme Officer Mr.D.ChinnaBabu.For This Memorable Event, Mr.Dr.M.Chinnaeswariah, Principal Of The College Was Participated In This Program

The international union against cancer (uicc), an organization dedicated to increasing global cancer awareness, coordinates world cancer day and is supported in this effort by who and other international organizations. World cancer day serves as a formal launching point for the declaration of new themes and the release of new publications for the uicc's world cancer campaign, which functions throughout the year and strives to raise cancer awareness by forming partnerships with health and cancer institutions and by proposing educational activities and creating public service announcements. In honor of world cancer day, many health institutions and cancer centers make available on their web sites various educational publications and materials about cancer and cancer prevention. In some places world cancer day is recognized with a parade or a local fund-raising event, such as a walk, a gala, a concert, or an auction. In addition, some countries air special television broadcasts or radio programs about cancer during the week in which world cancer day occurs.

Awareness on Plastic Free Environment

Anurag Pharmacy College –NSS Unit Has Organized awareness on Plastic Free Environment at Ananthagiri On 08-05 -2023 With Great Fervor. The Programme Has Started With NSS Programme Officer Mr.D.ChinnaBabu.For This Memorable Event, Mr.Dr.M.Chinnaeswariah, Principal Of The College Was Participated In This Program.

Brief note on Event

More than 430 million tons of plastic are produced each year, two-thirds of which is cast aside as waste after just one use. Eleven million metric tons of plastics enter our ocean alone each year, in addition to the estimated 200 million metric tons that already flow through our marine environments, per data from the Ocean convertor

At the current rate of production, there will be more plastic than fish in the ocean by mid-century, according to Nikola Simpson, Head of the United Nations Development Programme's Barbados and Eastern Caribbean Blue Economy Accelerator Lab. "We just keep producing, producing, producing plastic," she says.

The UN Environment Programme is determined to help the world avert such a catastrophic future. UNEP's new report "Turning off the Tap: How the world can end plastic pollution and create a circular economy," maps out a plan to reduce global plastic waste by 80% within two decades

Swatchh Survekshana

Anurag Pharmacy College –NSS Unit Has Organized Awareness on swatch survekshan in our Pharmacy college On 02-08-2023 With Great Fervor. The Programme Has Started With NSS Programme Officer Mr.D.ChinnaBabu. And Team of Municipality Kodad .For This Memorable Event, Mr.Dr.M.Chinnaeswariah, Principal of the College Was Participated in This Program.

Brief not on event

Swachh Survekshana, conducted by MoHUA since 2016, is the world's largest urban sanitation and cleanliness survey. It has been instrumental in fostering a spirit of healthy competition among towns and cities to improve their service delivery to citizens and towards creating cleaner cities. The primary goal of SwachhSurvekshan is to encourage large scale citizen participation and create awareness amongst all sections of society about the importance of working together towards making towns and cities better places to reside in.

Conducted under the ambit of the Swachh Bharat Mission (Urban), the annual survey has managed to mobilise people, resources and authorities in an effort to prove that their city, of all cities in India, is the cleanest and that sustainable practices, both by citizens and ULBs, are being encouraged and promulgated

2k Run on awareness on Tuberculosis

Anurag Pharmacy College –NSS Unit Has Organized 2k Run on awareness on Tuberculosis at Ananthagiri On 11-08-2023 With Great Fervor. The Programme Has Started With NSS Programme Officer Mr.D.ChinnaBabu.For This Memorable Event, Mr.Dr.M.Chinnaeswariah, Principal Of The College Was Participated In This Program.

Brief note on Event

India has the highest burden of tuberculosis (TB) in the world, accounting for approximately one-fifth of the global incidence - an estimated two million cases annually. India alone accounts for more than 25% of the world's incident cases. Under Revised National Tuberculosis Control Programme, through a consistent communication, a lot of awareness has been created about TB - about its cause, symptoms, and cure, as well as various misconceptions and stigmas attached to it. Studies on awareness of TB and treatment seeking behavior have been carried out in various parts of India on various subgroups. Awareness among general population, especially vulnerable population like urban slums, regarding TB is important and it leads to timely treatment seeking. Knowledge about the common symptoms of TB and availability of free diagnosis and treatment facility for TB will help in improving the treatment seeking behavior.
