### A Two Week Certificate program on

## “TRADITIONAL KNOWLEDGE DIGITAL LIBRARY” 21-03-2023 to 11-04-2023

**About the college:**

Anurag Pharmacy College was established in 2007 by "Amartya Educational Society" with an objective of bringing quality education closer to the rural students. Right from the beginning the management was clear about establishing the center of excellence in pharmacy. Accordingly a good institution with strong foundation has taken a shape in the form of Anurag Pharmacy College imparting education for B. Pharm, M. Pharm course in two branches along with Pharm D.

This college is having well equipped and high standard laboratories and state of art library is well stocked with 3241 books, 37 printed and e-journals, computer lab with high speed internet facility. Apart from academics our college encourages students in extracurricular activities and also our faculty provides GPAT special classes.

**About the Department:**

Pharmacy is the science and practice of discovering, producing, preparing, dispensing, reviewing and monitoring medications, aiming to ensure the safe, effective, and affordable use of medicines. It is a miscellaneous science as it links health sciences with pharmaceutical sciences and natural sciences. The professional practice is becoming more clinically oriented as drugs are manufactured by pharmaceutical industries.

**Resource Person:**

K. Sudhakar  
Dept of. Pharmacognosy  
Anurag Pharmacy College

**Last date to Registration:**

18-03-2023

**Objectives of the program:**

1. This step will help in integrating in cooperating traditional knowledge with current practice towards and enhancing innovation and trade.
2. It facilitates wider adoption of Indians traditional medicine while also propelling new manufactures and innovators to gainfully build enterprises based on Indian valuable knowledge.
3. It will also inoculate thoughts and knowledge leadership through Baratiya Gnana Parampara under the educational policy 2020.

**Topics to be covered:**

1. Once the traditional knowledge is recorded in TKDL
2. Legally it becomes public domain knowledge under the patent law this means that it is considered to be prior art and hence is not patentable.
3. Thus it helps to preventing cases of bio piracy.
4. TKDL has a rich data base of information and proved to be extremely useful to research and industry both India and abroad.

### A Two Week Certificate program on

**"COSMETIC TECHNIQUES AND MANAGEMENT"**

**18-01-2023 to 02-02-2023**

**About the college:**

Anurag Pharmacy College was established in 2007 by "Amartya Educational Society" with an objective of bringing quality education closer to the rural students. Right from the beginning the management was clear about establishing the center of excellence in pharmacy. Accordingly a good institution with strong foundation has taken a shape in the form of Anurag Pharmacy College imparting education for B. Pharm, M. Pharm course in two branches along with Pharm D.

This college is having well equipped and high standard laboratories and state of art library is well stocked with 3241 books, 37 printed and e-journals, computer lab with high speed internet facility. Apart from academics our college encourages students in extracurricular activities and also our faculty provides GPAT special classes.

**About the Department:**

Pharmacy is the science and practice of discovering, producing, preparing, dispensing, reviewing and monitoring medications, aiming to ensure the safe, effective, and affordable use of medicines. It is a miscellaneous science as it links health sciences with pharmaceutical sciences and natural sciences. The professional practice is becoming more clinically oriented as drugs are manufactured by pharma industries.

**Resource Person:**

Ms. Y. Sushma  
Dept of. Pharmacognocoy  
Anurag Pharmacy College

**Last date to Registration: 12-01-2023**

**Objectives of the program:**

1. Describe the various types of cosmetics and their uses for facial makeup.
2. Explain how to use colour theory when choosing cosmetics for make up applications.
3. Name and describe types of artificial cosmetics.

**Learning outcomes:**

1. Understand the formulation use and applications of cosmetics products.
2. Understand the principles of sales promotion and how to sell effectively.
3. Create appropriate displays for both retail and saloon operations.

## PROGRAM REPORT

**Name of the Event:** A Two Week Certificate Program on “**ELECTRONIC PRESCRIPTION OF MEDICINE**”

**Date:** 14-11-2022 to 30-11-2022

**Resource Person:** **Dr. S. M.S NIKHIL**

Dept of. Pharmacy practice

Anurag Pharmacy College

Contact number: 9866353620.

**Name of coordinator:** A. Hemanth Kumar.

Asst Professor, Dept of. Pharmacy practice

**Number of Students attended:** 43

**VENUE:** Auditorium, Anurag Pharmacy College

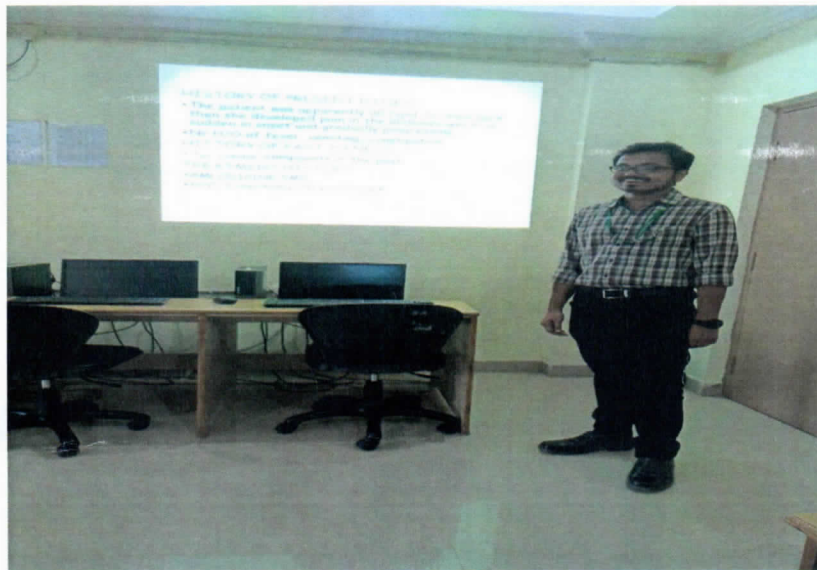

Anurag Pharmacy College, Ananthagiri, organized a certificate program on “**ELECTRONIC PRESCRIPTION OF MEDICINE**” for Pharm D students by the resource person Dr. S.M.S Nikhil on **EPOM**. It helps to maintain basic patient profile information and medicine history and reduce the time of dispensing. Totally 43 students were participated in this training program and after the completion of the program they were able to understand the fallowing objectives and leaning outcomes.

**Objectives:**

1. Electronic prescription decreases the medication errors and improves efficiency.
2. To preventing the discharge medication errors and improve the patients safety.
3. It is increasing efficiency and reduces the administrative burden.

**Learning outcomes:**

1. It assures the complete demographic information sent to the pharmacy.
2. It avoids duplication of drugs in same classification.
3. It facilitates pathway towards electronic health record.
4. Prevents potential adverse drug interactions.

This course was very useful to the students and their feedback is positive. The management and Dr. M. Chinna Eswaraiyah, Principal of Anurag Pharmacy College thanked the resource person and participants for making the program successful.

A Two Week Certificate program on

## "INNOVATIONS IN PHARMACEUTICAL INDUSTRY"

17-10-2022 to 02-11-2022

### About the college:

Anurag Pharmacy College was established in 2007 by "Amartya Educational Society" with an objective of bringing quality education closer to the rural students. Right from the beginning the management was clear about establishing the center of excellence in pharmacy. Accordingly a good institution with strong foundation has taken a shape in the form of Anurag Pharmacy College imparting education for B. Pharm, M. Pharm course in two branches along with Pharm D. This college is having well equipped and high standard laboratories and state of art library is well stocked with 3241 books, 37 printed and e-journals, computer lab with high speed internet facility. Apart from academics our college encourages students in extracurricular activities and also our faculty provides GPAT special classes.

### About the Department:

Pharmacy is the science and practice of discovering, producing, preparing, dispensing, reviewing and monitoring medications, aiming to ensure the safe, effective, and affordable use of medicines. It is a miscellaneous science as it links health sciences with pharmaceutical sciences and natural sciences. The professional practice is becoming more clinically oriented as drugs are manufactured by pharma industries.

#### Resource Person:

D. CHINNA BABU

Asst Professor,

Dept of. Pharmaceutics

Anurag Pharmacy College

Last date to Registration:

14-10-2022

### Objectives of the program:

- 1.To enhance the manufacturing capacity.
2. To protecting the public must be primary objective of any company or industry.
3. To design a quality product its manufacturing process to consistently deliver the intended performance of the product.

### Learning outcomes:

1. To learns the basic issues in the pharmaceutical industry.
2. It evaluates the basic concepts in the field of drug delivery system.
3. It can create improved drugs and medicines by understanding their effectiveness in specific individuals.

### A Two Week Certificate

program on

### "ETHICAL DECISION MAKING IN PHARMACEUTICALS"

Dates :01-09-2022 to 17-09-2022

### About the college:

Anurag Pharmacy College was established in 2007 by "Amartya Educational Society" with an objective of bringing quality education closer to the rural students. Right from the beginning the management was clear about establishing the center of excellence in pharmacy. Accordingly a good institution with strong foundation has taken a shape in the form of Anurag Pharmacy College imparting education for B. Pharm, M. Pharm course in two branches along with Pharm D.

This college is having well equipped and high standard laboratories and state of art library is well stocked with 3241 books, 37 printed and e-journals, computer lab with high speed internet facility. Apart from academics our college encourages students in extracurricular activities and also our faculty provides GPAT special classes.

### About the Department:

Pharmacy is the science and practice of discovering, producing, preparing, dispensing, reviewing and monitoring medications, aiming to ensure the safe, effective, and affordable use of medicines. It is a miscellaneous science as it links health sciences with pharmaceutical sciences and natural sciences. The professional practice is becoming more clinically oriented as drugs are manufactured by pharma industries.

### About the Programme:

- Beginning in January 2012, a workgroup promulgated under the auspices of the Joint Commission of Pharmacy Practitioners (JCPP) began work on a patient care process to "stimulate consistency, predictability, and measurability in pharmacists' service delivery.
- The resulting Pharmacists' Patient Care Process document approved in May 2014 had the support of 13 national pharmacy organizations. Subsequently, the PPCP was incorporated into the accreditation standards of the Accreditation Council for Pharmacy Education (ACPE).
- Although consideration of potential ethical issues is a necessary component of comprehensive care provision and is a requirement of ACPE accreditation standards.

### Resource Person:

## PROGRAM REPORT

**Name of the Event:** A Two Week Certificate Program on “**ETHICAL DECISION MAKING IN PHARMACEUTICALS**”.

**Date:** 01-09-2022 to 17-09-2022

**Resource Person:** **Mr.Dr. B. Raja,**  
Dept of. Pharmaceutical analysis  
Anurag Pharmacy College  
Contact number: 7095186314

**Name of coordinator:** **G. Sangeetha roy**  
Dept of. Pharmacy Practice

**Number of Students attended:** 54

**VENUE:** Auditorium, Anurag Pharmacy College

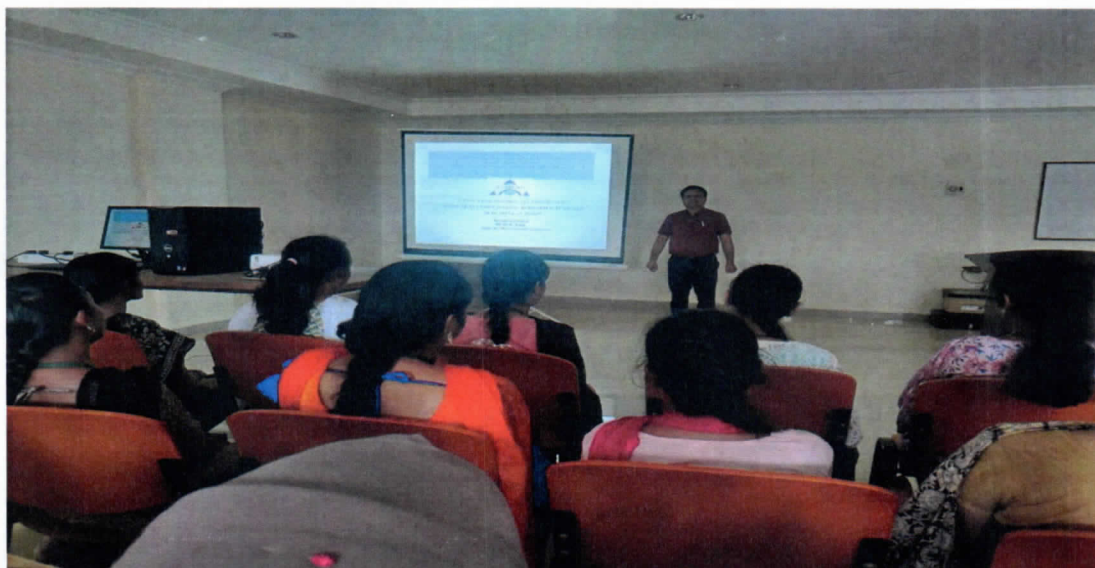

Anurag Pharmacy College, Ananthagiri, organized a certificate program on “**Ethical Decision Making in Pharmaceuticals**” for Pharm D and B Pharmacy students by the resource person B. Raja on EDMP, its ethical decision generate and sustain trust and responsibility and caring with good citizenship. Totally 54 students were participated in this training program and after the completion of the program they were able to understand the fallowing objectives and leaning outcomes.

**Objectives:**

1. To assist pharmacy professionals in assessing a situation that poses a more compels ethical dilemma.
2. The moral principles and values under pinning human behavior.
3. To identify the issues and examine the facts.

**Learning outcomes:**

1. Ethical decision generates and sustains trust and responsibility and caring with good citizenship.
2. Woken must recognize health care dilemmas, making good judgments and decisions based on their values
3. To generate better life balance and confidence.
4. Avoids harm\ negative consequences.

This course was very useful to the students and their feedback is positive. The management and Dr. M. Chinna Eswaraiah, Principal of Anurag Pharmacy College thanked the resource person and participants for making the program successful.

### A Two Week Certificate program on

## "IMPACTS OF GREEN BIO- TECHNOLOGY"

Dates :18-07-2022 to 02-08-2022

**About the college:**

Anurag Pharmacy College was established in 2007 by "Amartya Educational Society" with an objective of bringing quality education closer to the rural students. Right from the beginning the management was clear about establishing the center of excellence in pharmacy. Accordingly a good institution with strong foundation has taken a shape in the form of Anurag Pharmacy College imparting education for B. Pharm, M. Pharm course in two branches along with Pharm D.

This college is having well equipped and high standard laboratories and state of art library is well stocked with 3241 books, 37 printed and e-journals, computer lab with high speed internet facility. Apart from academics our college encourages students in extracurricular activities and also our faculty provides GPAT special classes.

**About the Department:**

Pharmacy is the science and practice of discovering, producing, preparing, dispensing, reviewing and monitoring medications, aiming to ensure the safe, effective, and affordable use of medicines. It is a miscellaneous science as it links health sciences with pharmaceutical sciences and natural sciences. The professional practice is becoming more clinically oriented as drugs are manufactured by pharma industries.

**About the Programme:**

- IGBT which is commonly known as plant technology, which is applied to agricultural process produce more environmentally friendly solutions

Pharmacy is the science and practice of discovering, producing, preparing, dispensing, reviewing and monitoring medications, aiming to ensure the safe, effective, and affordable use of medicines.

- It is a miscellaneous science as it links health sciences with pharmaceutical sciences and natural sciences

The pharmaceutical sciences are a group of interdisciplinary areas of study.

They apply knowledge from chemistry, biology, and epidemiology, statistics, chemometrics, mathematics, physics, and chemical engineering.

**Resource Person:**

Name: Mr. K. Srikanth,  
Department: M.sc Bio-Chemistry  
Address: Anurag Pharmacy College.  
Contact number: 9160305052.

**Last date to Registration: 14-07-2022**

**Objectives of the program:**

1. Increase crop productivity.
2. Improved the nutritional value.
3. Environmental uses living system to solve environmental pollution.
4. This impact of reduction of current activity and control of pollution.
5. Green biotechnology related to plants of improving both the quality and quantity of plants.
6. The main goal of green biotechnology is the production of an improved variety of plants, with the help of biotechnology-based techniques that should be environmentally friendly solutions.
7. The main aim of green biotechnology is to tackle food security issues and reduce the environmental footprint of the industry.
8. Green biotechnology can improve the global food situation.

**Topics to be covered:**

1. To solve the environmental problems.
2. Improve and the production of new product with new trait.
3. Food enhancement the food is safer than conventional food

#### **About the Department:**

Pharmacy is the science and practice of discovering, producing, preparing, dispensing, reviewing and monitoring medications, aiming to ensure the safe, effective, and affordable use of medicines. It is a miscellaneous science as it links health sciences with pharmaceutical sciences and natural sciences. The professional practice is becoming more clinically oriented as drugs are manufactured by pharma industries.

#### **About the Programme:**

- PHC involves ongoing monitoring of educating patients and health care professionals on the safe use of medication. Many patients interact with the health system at multiple points.
- Medication therapy may be started, altered or adjusted at any point along this continuum of care by multiple providers. But pharmacists are the health professionals with the best potential to effectively coordinate medication across the continuum.
- In particular, community-based pharmacists are accessible and uniquely positioned to support a continuum of primary care, the challenges of living with chronic disease, assisting people to remain in their homes as they age and assisting people living with mental illness or chronic diseases.

#### **Resource Person:**

Name: Mr. K. Raveendrababu  
Designation: Assistant Professor
