The motto of Anurag Pharmacy College, "Serve While You Learn," motivates students to participate in a variety of extension activities. Through a variety of co-curricular and extension activities, the Institution offers community services in both urban and rural areas through NSS.

By collaborating with various welfare organizations like NSS, Red Cross Society, Gram Panchayat, NGO's, etc. to promote their health and basic necessities, the institution provides humanitarian services to the nearby community.

- The Anurag Pharmacy College's Ecoclub provides to orphans through the money made each year on the college's property. Donations include cash, rice, clothing, fruits, etc. Every year, this club also gives away eco-friendly clay Ganesh idols to the general public in an effort to lessen environmental pollution. During the Covid virus pandemic, the faculty and students took a leading role in providing the needy with basic requirements including food, medicine, milk, masks, sanitizers, and other items.

Medical Camps:

- Each year, the Institute organizes medical camps in adjacent communities in collaboration with regional organizations. These camps are held in places with poor access to medical care. The people received a variety of health screenings through these camps, including eye, blood, dental, and cancer screenings. In order to foster a sense of social responsibility among its students, the institution encourages their participation as volunteers. The camp provides patients with free medications.

Outreach Programmes:

For the public's benefit, the institution frequently holds awareness campaigns on issues such as air pollution, Swachh Bharat Abhiyan, drug misuse and trafficking, menstrual hygiene among teenage girls, plastic-free environments, the use of eco-friendly Ganesh clay idols, etc.

The Women Empowerment Cell actively organizes a number of events for women's awareness and empowerment in collaboration with other regional organizations that support women. Every year, the cell honors International Women's Day by inviting notable women to tell their stories in an effort to inspire the faculty and students to achieve empowerment. The cell arranges seminars and guest talks on topics like domestic violence, self-defense, and using official apps.
