AWARENESS PROGRAMME ON COVID-19

Anurag Pharmacy college –NSS unit has organized Awareness programme on COVID -19 in our college 10-03-2020 with great fervor. The programme has started with NSS Programme officer Mr.D.Chinna babu Dr.M.Nandha Gopal (MBBS,MD) Amrutha Hospital kodad gives instructions to students on awareness for covid-19.for this memorable event students have participated in this programme.

Brief note on Covid -19

The novel corona virus disease 2019 (COVID-19) is an infectious disease caused by a novel corona virus now called severe acute respiratory syndrome corona virus 2 (SARS-COV-2) and can be transmitted from person to person via contact with respiratory droplets.¹ The novel corona virus disease 2019 (COVID-19) presents an important and urgent threat to global health. Since the outbreak in early December 2019 in the Hubei province of the People's Republic of China, the number of patients confirmed to have the disease and deaths from it increased at an alarming rate through time. It was initially reported to the World Health Organization (WHO) on December 31, 2019. On January 30, 2020, the WHO declared the COVID-19 outbreak a global health emergency. On March 11, 2020, the WHO declared COVID-19 a global pandemic. Despite public health responses aimed at containing the disease and delaying the spread, several countries have been confronted with a critical care crisis, and more countries will almost certainly follow.

Major prevention methods recommended by the WHO include; regularly and thoroughly clean hands with an alcohol-based hand rub or wash them with soap and water, maintaining social/physical distancing, avoid touching eyes, nose and mouth, and different protection measures based on the situations.⁵ it's very well known that the COVID-19 outbreak has placed unprecedented demands on the health systems of many countries around the globe. This is expected to get even worse in the middle- and low-income countries where the health system is weak and fragile. In countries that are hardest hit, health facilities and workforce are currently swamped by activities related to controlling the pandemic.

AWEARNESS PROGRAM ON ANTI-RAGGING

Anurag Pharmacy college –NSS unit has organized Awareness program on Anti-Ragging in our college on 25-08-2020 with great fervor. The programme has started with NSS Programme officer Mr.D.Chinna babu. For this memorable event, Mrs.K.Venkatyeswer Reddy DSP, Rural CI PND Prasad, SI Srinivas, SHE TEAM officers of SI Nagabushanam, Suresh and college management was participated in this program

Mehr Chand Mahajan DAV College for Women, Chandigarh strictly adhered to the guidelines laid down by Hon'ble Supreme Court of India which has banned ragging in all institutions of higher education. In pursuance of its significant judgment dated 8 May 2009 in Civil Appeal No. 887/2009 which was notified by UGC as 'Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009' and subsequent communications received from the Ministry of Human Resource and Development from time to time, relevant steps were to curb, prevent and eliminate the menace of ragging

As per the instructions of the government, Anti-ragging Undertakings were sought from all students at the time of admission. The submission of the document ensures the students' commitment of compliance with the government's policy of eradicating ragging. UGC Guidelines and a Sample of Anti-ragging Undertaking Form were made available on the College Website for the facility of the students. Since the admissions were held online, students were asked to fill up mandatory Anti-ragging undertaking on the UGC website as well.

Awareness on Violence and atrocities again girls and women's

Anurag Pharmacy College –NSS unit has organized Awareness programme on violence and atrocities again girls and women's in our college 25-04-2021 with great fervor. The programme has started with principal of Anurag pharmacy college .Dr.M.Chinnaeswaraiiah and Orange the world team and SAKI KENDRAM of Telangana government .For this memorable event students have participated in this programme.

Brief note on the programme:

Violence against women and girls is one of the most widespread, persistent and devastating human rights violations in our world today and is a threat to millions of girls and women online and offline. It affects women regardless of their age, background, or level of education. This violence takes many forms, including physical, sexual, or psychological violence, as well as economic abuse and exploitation.

The 16 days between 25 November, the International Day for the Elimination of Violence against Women, and 10 December, Human Rights Day, are known as the 16 Days of Activism against Gender-Based Violence Campaign(link is external), a time to galvanize action to end violence against women and girls around the world. This year, as the International Day for the Elimination of Violence against Women falls on a Sunday, UNESCO will start observing the day on Friday, 23 November, and will mark the 16 Days of Activism through a series of events under the overall theme: "UNESCO says NO to violence against women"

UNESCO invites everybody to post their photos on Facebook, Twitter, and Instagram accounts for the International Day for the Elimination of Violence against Women by including the hash tags OrangeTheWorld 25Nov IDEVAW and tagging UNESCO. Contributors may submit photos and/or videos saying "No to violence against women", preferably featuring the symbolic umbrella. Remember to wear a touch of orange.

VACCINATION DRIVE

Anurag Pharmacy college –NSS unit has organized Vaccination Drive in our College on 13 -12-2020 with great fervor. The programme has started with Principle of Anurag Pharmacy College Dr.M.Chinnaeswaraiah and Anurag Engineering College Principle Dr. M V Shiva Prasad. For this memorable event students and faculty have participated in this programme.

Brief note on Vaccination

Vaccination planning has also been a challenge in India. Earlier in the year, individual Indian citizens had to register on the CoWIN or Aarogya Setu portal in order to receive a COVID-19 vaccination. The limited number of vaccination slots resulted in fewer administrations during the initial 5 months of the vaccination programme. The Government of India has now amended the vaccination policy by waiving the preregistration requirement and offering free vaccinations to accelerate the programme. However, mass gatherings at health-care settings might lead to a further surge in daily cases. Door-to-door vaccination might be a feasible and safe solution to avoid such assemblies.

The COVID-19 vaccine drive in India was launched on Jan 16, 2021. From May 1, 2021, all people older than 18 years are eligible in phase 4 of the vaccination drive. By July 20, 2021, 326.4 million people in India (23.4% of the population) had received the first dose of the vaccine, and 85.4 million people (6.1% of the population) had received the second dose. At the current pace, it would not be possible to vaccinate the whole nation by the end of 2021. The Government of India therefore implemented a centralized vaccination policy and administered more than 8.6 million COVID-19 vaccine doses on day 1 (June 21, 2021). Such a vaccination strategy might be helpful in achieving mass vaccination against COVID-19. However, ensuring a consistent vaccine supply is a substantial challenge to maintaining such a high pace and achieve nationwide coverage.
