Dear Sravankumar Bathula,

We take a great pleasure in inviting you to be an integral part of Neotek Solutions LLC. We are pleased to offer you the position of SAS Programmer with effect from 04/18/2023. As per our discussion, you are being offered with an annual salary of \$85,000 per annum (\$42.5/hour) on our W-2, as per Neotek Solutions, LLC policy.

As a SAS Programmer the job duties include but not limited to the following:

Data management: Clinical SAS Programmers are responsible for the management of clinical trial data, including data cleaning, validation, and integration from multiple sources.

Programming: They are responsible for programming and validating statistical analyses, generating tables, listings, and graphs (TLGs) to support the clinical trial study results.

Quality control: They must ensure the accuracy, completeness, and quality of the data in the clinical trial database, and ensure that it meets regulatory and industry standards.

Documentation: They must maintain accurate and complete documentation of their programming work, including code, specifications, validation results, and other documentation.

Communication: They must work closely with clinical study teams, biostatisticians, data managers, and other stakeholders to ensure that the programming work is aligned with the study objectives and timelines.

Compliance: They must ensure that all programming work complies with regulatory requirements and industry standards, including the International Conference on Harmonization (ICH) guidelines.

Innovation: They must keep up-to-date with the latest SAS programming techniques, industry trends, and emerging technologies to improve efficiency, quality, and compliance in their work

We are registered with USCIS E-verify employment verification program and our E-Verify number is 61-1897532. Please do not hesitate to contact us should you have any questions. Congratulations and welcome!

Sincerely,

Bharat Komatireddy

Dear Sai Lakshmi Srikala,

Congratulations! After review of your application, the faculty in The School of Health Professions have offered you admissions to Public Health (Epidemiology and Biostatistics) MPH for the Spring 2023 semester. Certain programs may allow admitted students to defer their admissions up to one year. Consult the coordinator of your program to learn more. You may accept, decline, or request to defer your offer of admissions by clicking on the Respond button in the upper right hand corner.

All new graduate students are required to complete an online orientation module. You will receive additional information regarding the course in the weeks prior to your first day of class.

In the upcoming days, you will be receiving additional information regarding your next steps, including information regarding your student email account and password activation. Please be sure to check your email regularly. In the meantime, if you need additional assistance, please feel free to contact the Graduate School at graduateschool@usm.edu with any questions.

Again, congratulations and welcome to The University of Southern Mississippi!

Sincerely,

Karen S. Coats, Ph.D.
