## 6.1. Criterion 6- Governance, Leadership and Management (100)

### Key Indicator-6.1 Institutional Vision and Leadership (15)

Metric No.		Weightage
6.1.1 Q <sub>i</sub> M	<i>The governance and leadership is in accordance with vision and mission of the institution and it is visible in various institutional practices such as decentralisation and participation in the institutional governance</i> <i>Write description in a maximum of 500 words (494)</i>	15

The Amartya Educational Society funded Anurag Pharmacy College (self-finance) in 2007, which is accredited by the AICTE and PCI in New Delhi and connected with JNTUH in Hyderabad. The Convenor Committee, Programme Assessment Committee, and Governing Body established the institution's vision and mission.

**VISION:** To develop skilled pharmacy professionals who can demonstrate health care delivery and research while fostering excellence in academia and the workplace.

**MISSION:** To foster professional ideals, a lifelong learning mindset, and leadership abilities among students. To provide transformative learning experiences that equip students for successful careers in research, education, and pharmacy practise.

The governing board schedules meetings to decide on the budget allocation for the ongoing enhancement of the standard and equity of student research and education. According to PCI standards, the governing board is established up with a nominee from the Affiliated University.

The convener committee meetings encourage discussion, cooperation, and decision-making, which helps the institution progress and improve continuously. The programme assessment committee is vital to the evaluation of programme and course outcomes, the implementation of efficient assessment methods, the promotion of continuous development, and standard compliance.

By putting the designed policies into practice, the principal ensures that administrative and academic processes run smoothly. IQAC assists with event planning and coordination. Through a number of committees, the principal and IQAC guarantee the participation of the entire staff. When conducting periodic programme evaluations, IQAC discusses annual reports with the principal in order to further improve education in the upcoming academic year.

The Principal works with faculty and HODs to ensure that various committees' goals and policy choices are carried out. For the efficient implementation of goals in fulfilling the vision and mission of our college, the coordinators and members of various committees serve

as the pillars of a hierarchical structure. These groups hold frequent meetings and internal audits with the required people at all levels. Our proud Alumni encourage connections between academia and industry and help students advance their careers by setting up placements to improve their employment prospects. By working with the faculty to improve social wellbeing in society, students are made aware of various value systems.

Academic excellence by generating trained pharmacy graduates, faculty development for scientific contribution, ensuring access to the most recent pharmaceutical equipment, and modernizing the library with software for research purposes are all part of our college's perspective plan that reflects our vision and goal. Initiates community outreach programmes to meet the needs of the healthcare industry by organizing health camps, awareness camps, and health promotion activities. It also offers student support services such as academic advising, counseling, career guidance, and extracurricular activities. Industry partnerships and collaboration are used to facilitate internships, research, opportunities for students and faculty to gain practical experience to keep up with industry trends, and it partners with businesses to facilitate internships. In order to support the college's expansion and make investments in faculty, infrastructure, research, and student assistance activities, financial management practices also guarantee openness.
