## PROGRAMME REPORT

**Name of the Programme:** A One Week Faculty Development Program on  
“Innovations, Learning and Research in Pharmaceutical Sector”

**Date:** 22-11-2021 to 27-11-2021.

### Resource Person Details:

**Name:** Mr.Dr.Konathala Rajesh M.Pharm., Ph.D

**Designation:** Professor &Principal,

**Department:** Pharmacology

**Organization:** Bhaskara Institute of Pharmacy, Komatipally, Bobbili, Vijayanagaram

**Email ID:**konathalarajesh@gmail.com

**Contact Number:** 9000483243

### Objective:

Anurag Pharmacy College had successfully organised A One Week Faculty Development Programme on “**Innovations, Learning and Research in Pharmaceutical Sector**”. The main objective of the programme is to know information about up to date innovations in pharmaceutical research and learning objectives from research field in drug discovery and development process.

### Topics covered:

- Recent innovations in Pharmaceutical sector.
- Current challenges in recent pharmaceutical innovations.
- Way forward for challenges in Pharmaceutical Innovations, Research areas.

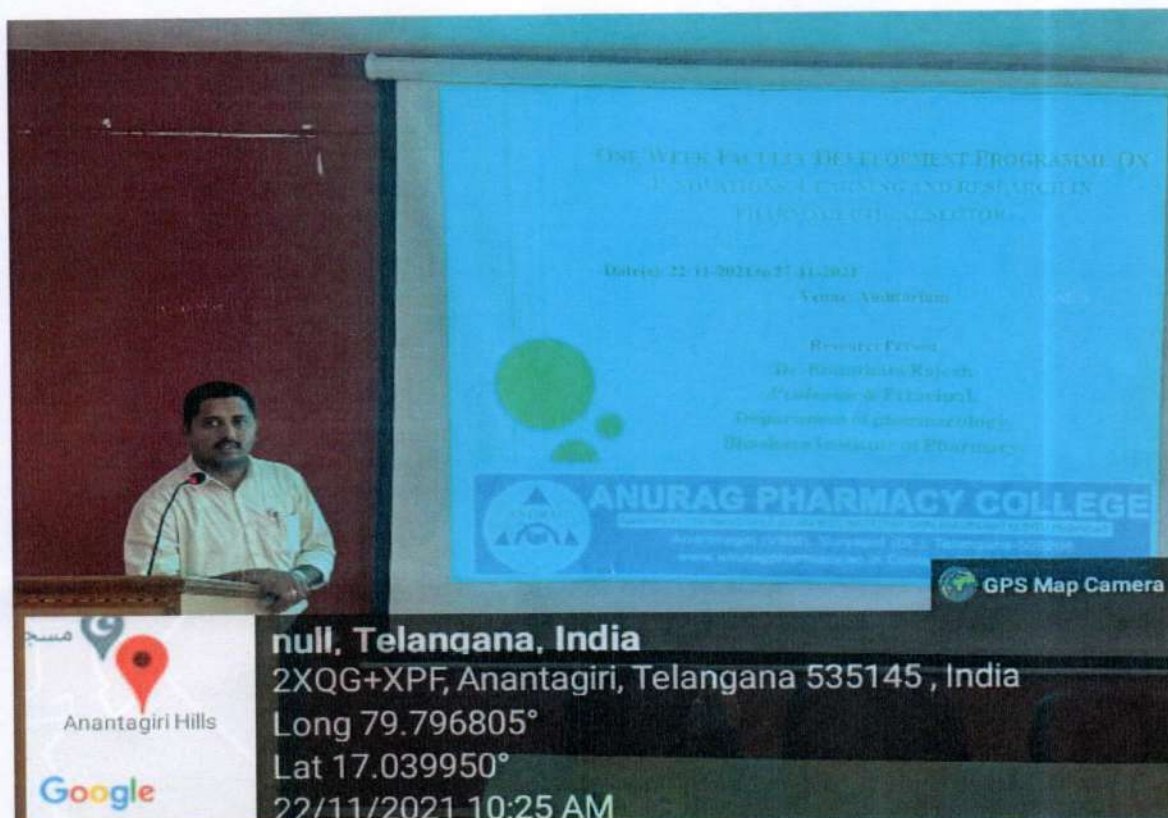

**Outcome of the Programme:** An open feedback was collected from the faculty members and they convey that the programme was helpful for covering the topics related to the information which is helpful to know the information and gaining the knowledge about recent innovations in pharmaceutical research and facing challenges in recent advancements and their resolutions in this sector.

[www.anuragpharmacy.ac.in](http://www.anuragpharmacy.ac.in)

A one week

faculty development programme on  
"Innovations, Learning and Research in  
Pharmaceutical Sector".

Dates : 22/11/2021 to 27/11/2021

**About the college:**

Anurag Pharmacy College was established in 2007 by "Amartya Educational Society" with an objective of bringing quality education closer to the rural students. Right from the beginning the management was clear about establishing the center of excellence in pharmacy. Accordingly a good institution with strong foundation has taken a shape in the form of Anurag Pharmacy College imparting education for B. Pharm, M. Pharm course in two branches along with Pharm D. This college is having well equipped and high standard laboratories and state of art library is well stocked with 3241 books, 37 printed and e-journals, computer lab with high speed internet facility. Apart from academics our college encourages students in extracurricular activities and also our faculty provides GPAT special classes.

**About the Department:**

Pharmacy is the science and practice of discovering, producing, preparing, dispensing, reviewing and monitoring medications, aiming to ensure the safe, effective, and affordable use of medicines. It is a miscellaneous science as it links health sciences with pharmaceutical sciences and natural sciences. The professional practice is becoming more clinically oriented as drugs are manufactured by pharma industries.

**About the Programme:**

- The programme was helpful for covering the topics related to the information which is helpful to know the information and gaining the knowledge about recent innovations in pharmaceutical research and facing challenges in recent advancements and their resolutions in this sector.
- Effective Technology Transfer makes it easier for the pharmaceutical business to adopt and integrate new scientific information, technologies, and advances. It facilitates the communication of research findings, promotes teamwork, and hastens the creation of sustainable solutions.
- Clinical Development must be conducted in a responsible and ethical manner if innovation in the pharmaceutical industry is to be sustained. The industry may make sure the creation of secure and efficient remedies by carrying out well-designed clinical trials with a focus on patient safety, moral principles, and scientific integrity.

**Resource Person**

Mr.Dr.Konathala Rajesh, M.Pharm., Ph.D  
Professor & Principal,  
Department of Pharmacology  
Address: Bhaskara Institute of Pharmacy,  
Komatipally, Bobbili, Vijayanagaram, A.P

**Last Date for registration: 19/11/2021**

**Objectives of the program:**

- To know the information about up to date innovations in pharmaceutical research and learning objectives from research field in drug discovery and development process.
- To embrace it, if India wants to continue to be of relevance in the global pharmaceutical space.
- To Change the perspective and increasing the use of technology were the need of the hour. But now it is essential that innovation is at the core of business.
- To bring new solutions to unmet healthcare needs.

**Topics to be covered:**

- Recent innovations in Pharmaceutical sector.
- Current challenges in recent pharmaceutical innovations.
- Way forward for challenges in Pharmaceutical Innovations, Research areas.

## PROGRAMME REPORT

**Name of the Programme:** A One Week Faculty Development Program on “**Current and Future Prospects of Drug Discovery and Novel Drug Delivery Systems**”.

**Date:** 18-04-2022 to 23-04-2022

### Resource Person Details:

**Name:** Dr.N.Karnakar

**Designation:** Professor

**Department:** Pharmaceutics

**Organization:** Sri Venkateswara Pharmacy College, Charlapalli, Nalgonda

**Email ID:** karnakar6988@gmail.com

**Contact Number:** 9177808260

### Objective:

Anurag Pharmacy College had successfully organised A One Week Faculty Development Programme on “**Current and Future Prospects of Drug Discovery and Novel Drug Delivery Systems**”. The main objective of the programme is to develop future prospects of drug discovery and novel delivery approaches in current era

### Topics covered:

- Current and Future Prospects of Drug Discovery and Delivery Approaches.
- Drug discovery challenges in recent advancements.
- Different carriers for the novel drug delivery systems.
- Scope of novel drug delivery approaches.

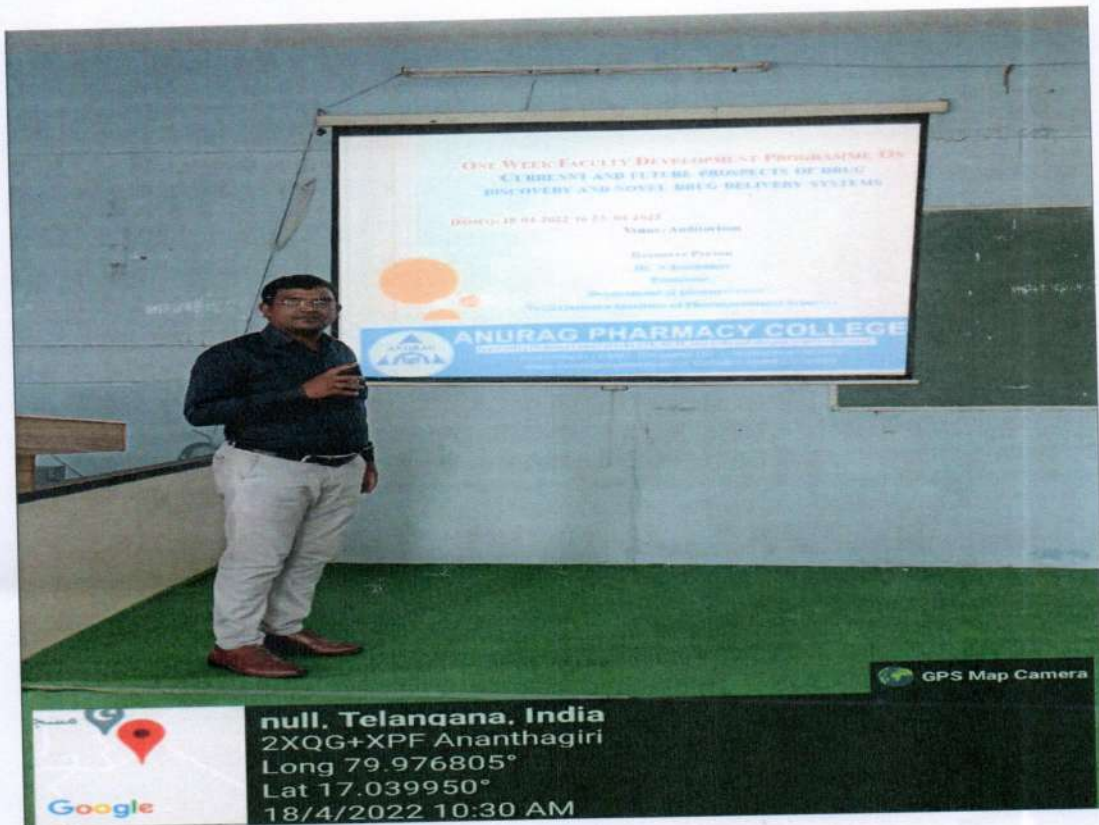

**Outcome of the Programme:** An open feedback was collected from the faculty members and they convey that the programme was extremely helpful for covering the topics related to the information which is useful for the research work on drug discovery and novel delivery approaches in current and future trends.

Principal  
PRINCIPAL  
Anurag Pharmacy College  
Ananthagiri, KODAD, Suryapet Dist

**Registration**  
Registration fee is Rs.350/- including kit, e-souvenir, and participation certificate.

**Objective**  
To encourage the students of Pharmacy to participate and present on latest happenings in Pharmaceutical Education and Research. It creates an academic and scientific platform for students to exchange their ideas and to prove their identity in the global pharmacy field.

**Eligibility**  
Students of B. Pharm., M. Pharm., Pharm. D. and Research Scholars.  
**Contact Numbers**  
A.Hemanth Kumar 9912420425

A one week  
faculty development programme on  
"Current and Future Prospects Of  
Drug Discovery and  
Novel Drug Delivery System"

Dates : 18/04/2022 to 23/04 /2022

**About the college:**

Anurag Pharmacy College was established in 2007 by "Amartya Educational Society" with an objective of bringing quality education closer to the rural students. Right from the beginning the management was clear about establishing the center of excellence in pharmacy. Accordingly a good institution with strong foundation has taken a shape in the form of Anurag Pharmacy College imparting education for B. Pharm, M. Pharm course in two branches along with Pharm D. This college is having well equipped and high standard laboratories and state of art library is well stocked with 3241 books, 37 printed and e-journals, computer lab with high speed internet facility. Apart from academics our college encourages students in extracurricular activities and also our faculty provides GPAT special classes.

**About the Department:**

Pharmacy is the science and practice of discovering, producing, preparing, dispensing, reviewing and monitoring medications, aiming to ensure the safe, effective, and affordable use of medicines. It is a miscellaneous science as it links health sciences with pharmaceutical sciences and natural sciences. The professional practice is becoming more clinically oriented as drugs are manufactured by pharma industries.

**About the Programme:**

- The programme was extremely helpful for covering the topics related to the Information which is useful for the research works on drug discovery and novel delivery approaches in current and future trends.
- Drug delivery is the technique of administering the drug or pharmaceutical product, in order to obtain desired therapeutic impact. The technique with the aid of using which drug introduced is important, because it has tremendous impact on its efficacy.
- Novel drug delivery system includes numerous approaches like clinical gadgets or drug-tool aggregate products. Novel drug delivery system (NDDS) includes combining polymer science, pharmaceuticals and molecular biology.(1,2) Novel drug delivery systems can consist of those primarily based totally on physical mechanisms and those based on biochemical mechanisms.

**Resource Person:**

Dr.N.Karnakar  
Professor  
Department of Pharmaceutics  
Address: Sri Venkateswara Pharmacy  
College, Charlapalli, Nalgonda.

Last Date for registration: 15/04/2022

**Objectives of the program:**

- To improve treatment outcomes in many ways, including enhancing therapeutic efficacy, reducing toxicity, increasing patient compliance, and enabling entirely new medical treatments.
- To enhancing targeting efficiency at both the tissue and cellular levels and increasing the delivery of molecules through barriers such as the brain, intestine, skin, lung, vagina
- To developing next-generation long-acting delivery technologies to improve drug PK and achieve preprogrammed palatial release over a period of time;
- To developing drug delivery technologies for personalized therapies.
- To merging advanced technologies, including machine learning, artificial intelligence (AI), wireless, and soft electronics, with drug delivery.

**Topics to be covered:**

- Current and Future Prospects of Drug Discovery and Delivery Approaches.
- Drug discovery challenges in recent advancement.
- Different carriers for the novel drug delivery systems.
- Scope of novel drug delivery approaches.
